Work Experience

Concert Production

2021-current

Experience working front of house sound, monitor mixes, OBS live stream, lights, and stage managing for concerts at CalArts. Set up equipment and sound before the shows with a breakdown after.

Venue Curator for Expo at CalArts

2024

Curator for Expo 2024, a one-day immersive event that showcases interdisciplinary creative work from the CalArts community. Organized a concert lineup and art featured in the R.O.D.

Teacher's Assistant

2024

TA for Micaela Tobin's Creative Electronic Ensemble and Def Sound's Music Cultures class. Setup sound and equipment for class.

Crazy Town Records (Local Music Collective)

2022-2023

Helped plan shows around LA and organize vendors/musicians.

Intern at AMP Concerts

2019

Concert production assistant and stage manager for shows around Santa Fe, NM. Helped set up local concerts and communicate with local nonprofits.

Leader of the Convergence Project

2016-2019

A community service group at Santa Fe prep that produces events for the younger community of artists and musicians around New Mexico.

Organized an annual event at Meow Wolf and created a lineup consisting of local Djs.

Organized a music festival with a lineup consisting of local bands/musicians with Cherry Glazer as the headliner. Stage managed the 8 hour festival and communicated with local organizations to help sponsor it.

Helped plan workshops for visual artists around the community.
